

# My Will

Sylvan Martin

This is a SUPER secret document, and I really wouldn't want anyone to see this while I'm alive!!!!

This my last will and testamant. When I die, give all of my climbing gear to Cornell Outdoor Education, give all my paintings of fish to my neighbor down the street, and give all of my homemade, home-weaved baskets to my dear friend Elfaba.

Here is my signature to indicate that I, Sylvan Martin, really mean it.

A handwritten signature in black ink that reads "Sylvan Martin". The script is cursive and fluid, with the first name "Sylvan" and last name "Martin" clearly distinguishable.
